***VOLUNTEER  
TODAY***

# NOT ALL HEROES WEAR CAPES

## Impact one child's life, transform a community!

Working with children today means a brighter future for everyone. The Leaven brings after-school mentoring and tutoring programs to low-income neighborhoods where high dropout rates and gangs threaten the community.

## Your passion and skills are needed!

There are many opportunities for you or your organization to volunteer with The Leaven, and we'll work with you to find the perfect "fit" based on your interests and schedule.

When you volunteer with The Leaven, you make a difference in the lives of children and give back to your community. Whether you help with homework, play a game, or teach an art project, you will have the opportunity to build healthy relationships with children, eager for adult guidance, and you will have a positive impact on their lives.
